Dear Harry

I can't thank you enough for taking such wonderful care of my brother and me in the care of our mother's house. You were so intuitive and intelligent and great to work with! You must be the best

and state agent on the West Coast - besides being a delight to be with. Thank you. ~~Good~~ I hope our paths will cross again.

Sincerely

Dear Harry,

I hope you will forgive me for taking such a long time to thank you for the beautiful photo albums. I plead guilty of being captured in the Christmas rush. No matter how well I think I've got things under control, I somehow manage to be part of all the frenzie, year after year. So, with much delay and embarrassment, Mansour and I would like to thank you very, very much for the albums. We did get some twangs of regret as we looked at the gorgeous photos. I'm sure it's only natural when we've been part of such a unique property for so long. It seems that the new owners are thrilled with their purchase and are going to make the gardens even bigger and more beautiful. I think that's great.

Thank you for your help and advise in facilitating the sale and move. It could have been a nightmare, but was as smooth as silk. It made saying good-bye a pleasant experience.

Have a wonderful New Year filled with great health and happiness for you and your family. Again, thank you very much for your thoughtful gift.

All the best,

John and Charlotte Lincoln

Dear Harry,

Charlotte and I cannot leave for Spain (on Monday) without expressing to you our gratitude and appreciation for the way in which you have conducted the sale of our property.

I only wish we had more houses for you to sell!

Working with you, and with Karen Perkins, could not have been more satisfying, under the recent, difficult market conditions.

Thank you for your professional, capable handling of this important matter. We look forward to our next meeting.

Sincerely Yours,

John H. Lincoln

P.S. Enclosed is a sheet of contact information, so that you can keep us posted while we are in Spain.
